## Get Involved!

Each highway district is encouraged to send one (1) representative to Boise from February 11th - 13th to participate in Capitol for a Day. This program is designed to provide interested highway employees an opportunity to get involved in Idaho's legislative process. Attendees will learn about current legislative issues that may impact highway districts, meet with their three legislators, attend a transportation committee hearing, and further build a relationship with Idaho's legislators during a relaxed reception.

## Lodging

Reserve your hotel room at the Holiday Inn Express Boise Airport by calling **208-342-4322** and ask for the Idaho Association of Highway District's room block (Arrival Date: 2/11, Departure Date: 2/13).
