

GIS Analyst

Nampa Highway District No.1 is accepting applications for a full-time position of GIS Analyst

The duties of the GIS Analyst are to perform technical and analytical work in the development, investigation, interpretation, and maintenance of graphical and non-graphical data for GIS used by the District. Maintains the District asset management data base, and performs other related duties as assigned.

This job requires the use of skills obtained by formal education, experience, or on-the-job training. The employee will work under the supervision of the District Engineer.

The job entails managing the District GIS database and District asset management data base, producing data maps and spreadsheets, analyzing and interpreting data, training and assisting other employees on the use of the GIS database, and coordinating with other agencies regarding the exchange of GIS database information.

Applicants must complete and submit an Application for Employment (NHD-010) along with a resume. The application form can be found online at www.nampahighway1.com, or picked up from the District office Monday through Thursday, 6:30 am to 5:00 pm.

Completed Applications can be submitted as follows:

- A. Delivered or mailed to Nampa Highway District No. 1, 4507 12th Avenue Road, Nampa, Idaho 83686
- B. Emailed to paige@nampahighway1.com
- C. Faxed to: 208-467-6576

The District provides equal employment opportunities to all applicants for employment without regard to race, color, national origin, gender, religion, age or disability as protected by Title VI of the Civil Rights Act of 1964, and the Americans with Disabilities Act.
