

Road Maintenance Crew Member Position Open

The **Buhl Highway District** is now accepting applications for a Road Maintenance Crew Member to perform duties associated with the maintenance and construction of public roadways.

The role encompasses a diverse range of tasks, from operating heavy construction equipment like 10-wheel trucks and trailers and snow removal equipment to traffic control, road maintenance and construction, and general labor.

Class-A CDL is required prior to employment. Herbicide Applicators License is preferred but not required. Wage will be based upon employment experience.

Applications will be accepted until the position is filled.
